Hi There

I'm writing on behalf of St Paul's Primary School; your small local primary school at the heart of our community. As part of our efforts to raise funds to support and enrich our pupils' education, we are organising a Christmas raffle and are reaching out to local businesses for prize donations.

We would be truly grateful for any contribution – whether it's a small token gift, a gift voucher, a hamper, or anything you're able to offer. Every donation helps us towards our goal of providing better resources and experiences for our children, and it really makes a difference.

As a thank you, we will of course ensure that your business is acknowledged in our school communications to parents and carers, highlighting your support for the local community. It's a lovely opportunity to give something back and to be part of a festive initiative that brings people together.

If you'd like to donate or would like any more information, please feel free to contact us me via this email or telephone on 07595620405.

Thank you for considering supporting our school – we really do appreciate it.

Warm regards

Harriet Boniface
St Paul's PTA Member
